Foot

Work Fern pattern across instep. Work stockinette across sole.

Work until foot measures approximately 2 ½ inches short of desired length. Or calculate: Desired length _____ - (30 / _____ Rows per inch) = how long foot should be when starting gusset.

_____ rows worked. Last row of pattern worked before gusset _____ of _____ repeat.

Gusset for Fleegle Heel

This heel was invented by fleegle and can be found at:

<http://fleeglesblog.blogspot.com/2006/11/leegles-toe-up-no-flap-no-hassle-sock.html>

Rnd 1: Instep: Continue with fern pattern. Sole: k2 m1r, knit to 2nd to last st, m1l, k2.

Rnd 2: Instep: Continue with fern pattern. Sole: Knit across.

Repeat these two rnds 14 more times until 62 sts on gusset needle.
(30 rows all together).

Mark last row worked on fern pattern: _____ row of _____ repeat.

Turn Heel

Row 1 – First work across instep in pattern row _____. Then work back and forth on sole.

Right side: K 33, ssk, k1, turn.

Row 2: (Wrong side): S1, p5, p2tog, p1, turn.

Row 3: (Right Side): S1, k to 1 st before gap. SSK (st before gap with st after gap), k1, turn.

Row 4: (Wrong side): S1, p to 1 st before gap. P2tog (st before gap with st after gap), p1, turn.

Repeat rows 3 & 4 until sock has 2 sts before gap on each side.

Work Row 3 again, but **DO NOT TURN**.

Work Instep in pattern. (Row ____)

Next on Sole: K1, K2tog to eliminate stitch and gap. K12, K2tog, k2, ssk, Knit to beginning of round. (32 sts per side; 64 sts total.)

Cuff

Work rounds until pattern ends with Row 6. Work one round knitting every stitch.

Cuff: Go down a needle size. Work 12 rows as follows: K1, *p2, k2* repeat between * to three stitches before end of side, ending p2, k1. Repeat for other side.
