

Fall Harvest

from HereandAbove.com
by Patricia Herald

Fall Harvest was stitched on off-white 14 ct aida.
Design size: 59w x 63h. Use 2 strands of floss throughout including outlining.

When working with Needle Necessities Overdyed Floss (NN) each stitch was completed separately. Overdyed floss should not be "folded" to make 2 strands because the colors will not coincide. You need two identical strands going in the same direction to achieve the color change in the model.
